Surgery Date: _____ Surgeon: _____

Procedure: _____

For your child's safety a recent pre operative evaluation is required for all surgical patients. Please have your child's pediatrician/ primary care physician complete the form we have provided 1- 2 weeks prior to the scheduled surgery date. Bring this form with you to surgery. Sports physicals are not accepted. **Please note pre operative physicals are only good for 30 days.**

Surgery will be cancelled without this completed physical form.

- **If your child is having any surgery other than ear tubes please do not give Advil, Motrin or Ibuprofen products two weeks prior to surgery. Tylenol can be used as an alternative if needed.**
- Please be sure to log in to Center One's website www.centeronejax.com to complete your child's medical history. If the nurse has any additional questions you will be contacted via email.
- Center One will mail a letter with the amount due for the approximate facility charge. This amount will be due on the day of surgery unless prior payment arrangements have been made.
- You will receive a call from Center One the day before your surgery, after 3:00 pm to let you know what time to arrive, feeding instructions and answer any questions that you may have. If you have not received a call by 4:00 pm please call (904)-652-2328. If your child's surgery is scheduled on a Monday you will be called on the Friday prior to surgery.
- Any paperwork not completed in the office must be mailed, faxed, or brought into the office one week prior to surgery. **If this is not done prior to surgery, your child's surgery will be canceled. If you have any questions regarding your child's surgery please call 904-398-5437 x 302.**
- You will be contacted by our office the day after surgery to check on your child's post surgical progress/ set up a post- op appointment for your child. **Please contact our office first at (904)-398-5437 x 314 with any post operative questions or concerns.**
