Surgery Date: _____ **Surgeon:** _____

Procedure: _____

For your child's safety a recent pre-operative evaluation is required for all surgical patients. **Please have your child's pediatrician/primary care physician complete the form we have provided prior to the scheduled surgery date. Bring this form with you to surgery. Sports physicals are not accepted.** Please note pre operative physicals are only good for 30 days.

Surgery will be cancelled without this completed physical form.

- **If your child is having any surgery other than ear tubes please do not give Advil, Motrin or Ibuprofen products 2 weeks prior to surgery. Tylenol can be used as an alternative if needed.**

- **Please pre register your child for surgery by calling 202-2280. This must be done no sooner than two weeks and no later than three business days prior to surgery. Please have your insurance information available.**

- You will receive a call from the hospital the day before your surgery after 4:30 pm to let you know what time to arrive, feeding instructions and answer any questions that you may have. If you have not received a call by 5:00 pm please call 904-202-8838. If your child's surgery is scheduled for a Monday you will be called on the Friday prior to surgery.

- Any paperwork not completed in the office must be mailed, faxed or brought in to the office at last one week prior to surgery. **If this is not done prior to surgery, your child's surgery will be canceled. If you have any questions regarding your child's surgery please call 904-398-5437 x 302.**

- You will be contacted by our office the day after surgery to check in on your child's post surgical progress/set up a post-op appointment for your child. **Please contact our office first at (904)-398-5437 x 314 with any post operative questions or concerns.**
