

# What to Expect for Your Child's Day of Surgery

## To Do List:

### Between Now & the Surgery

- Call **904-202-2280** within two weeks before surgery to pre-register
- Biological or Adopted parent must be present for child's surgery. If your child is accompanied by anyone other than the guardian, proof of legal guardianship must be presented prior to surgery.  
**Surgery may be cancelled if the court paperwork has not been provided and approved in advance.**
- If your child should become ill within one week of surgery, please notify your child's surgeon.
- If your child is on any medications, please discuss with one of our nurses at **904-202-8265**, to determine which medications should/should not be given prior to surgery. A nurse may call you in advance to discuss your child's medical history.

### The Day Before Surgery

**Please refer to this sheet when the nurse calls you the day before and fill in the blanks below**

- A Wolfson nurse will call you after 2 pm on the day before (or on Friday for a Monday surgery) your child's surgery to confirm your time for arrival and eating and drinking instructions.
